

RENEWABLE ENERGY

Perfectly positioned for geothermal, solar and wind energy success, Elko County is already home to the China Mountain Wind Project and two active geothermal systems—all against a backdrop of desert sunsets, jagged peaks and charming towns. Join successful renewable energy companies and a smart, capable workforce and see for yourself what Elko County can do for your business.

TAXES? WHAT TAXES?

Nevada has:

- No personal or corporate income tax
- No unitary tax
- No inventory tax
- No estate, gift or inheritance tax
- No franchise tax
- No special intangible tax

LOCAL LEADERS

Rub shoulders with established industrial companies like:

- The China Mountain Wind Project

WHY MOVE YOUR RENEWABLE ENERGY BUSINESS TO ELKO COUNTY?

- More geothermal reserves than any other state.
- A 20-acre geothermal industrial park.
- Solar energy zones.
- Over 300 days of sunshine each year.
- One of the most business-friendly tax climates in the U.S.
- A location in Nevada—a right-to-work state.
- Easy access to a commercial airport, major highways and the Northeastern Nevada Regional Railroad—offering full-service transloading.
- Sales and use and personal property tax abatements and deferrals.
- The perfect merger of small town charm and business-friendly community.
